# MEMBERSHIP TRANSFORMATION & FEE STRUCTURE UPDATE

Effective from 1st April 2025

## SIGNATURE GLOBAL NETWORK MEMBERS NEW TIERS

📅 Effective from 1st April 2025

To better serve our members and enhance the value of Signature global network, we are introducing a refined membership structure that aligns with the evolving needs of our industry leaders. This transformation ensures that members at all levels receive tailored benefits that drive business growth, foster collaboration, and maximize networking opportunities.

As part of this transition, we shall upgrade existing members who meet requirements and pay full annual fees as well as attending our annual conferences regularly with the same amount of annual fee of silver but upgrading to GOLD, with only 1 year plus fee paid upfront to commit to our community.

If you are already a premium member, your status won't be affected and in fact, you gain more value. Everything will be counted from 1st April 2025, which means if you want to be upgraded to GOLD or PREMIUM, it will be calculated from this date on, as we won't count back the previous years.
